

Step It Up this Recycle Week

Recycle Now are encouraging people to increase the amount they recycle to help fight climate change. This year's theme is 'Step It Up this Recycle Week'.

Carry out some research into the amount of waste that is recycled in each of the four nations of the UK. Label them on the map below.

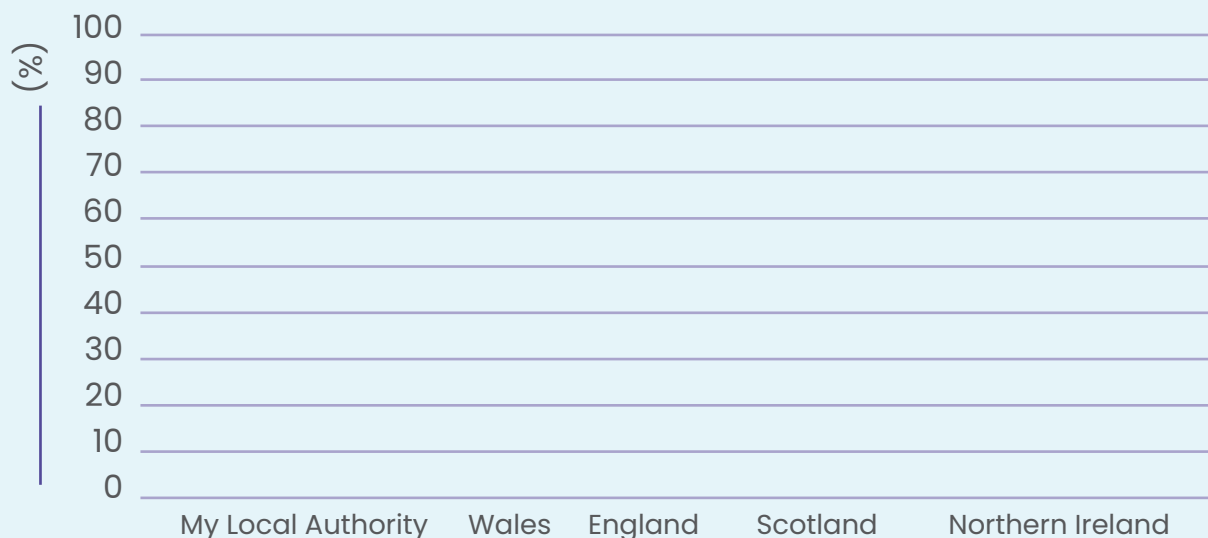

Now look at your own Local Authority's website.
How much waste does your Local Authority recycle?

_____ %

How does your Local Authority compare to the rest of the UK? Draw a bar graph below to show your results. Don't forget to label the axis and give your graph a title!

Graph title: _____

Why is it important that we recycle? Note your ideas in the boxes below.

Design a graphic for Recycle Now to use on their website or social media. Remember to include the slogan 'Step It Up this Recycle Week'!
